## 2017 CCS 11-14 All-Star “Catch the Spirit Camp”

CCS will be selecting an All-Star team of 11-14 year olds to participate in our first ever CCS sponsored, USA Swimming “Catch the Spirit Camp” in Clovis, CA, **April 29-30**. Parents will check-in their athletes on deck at Clovis North Aquatic Center on Saturday at Noon, April 29. This overnight camp includes 2 pool sessions aimed at getting the best in CCS together to train and race, 2 educational classroom sessions, team building exercises, and a motivational speech and pool technique session with 3 time USA Olympian, World Champion, and co-star of the swim documentary, “Touch the Wall,” Kara Lynn Joyce. Athletes will be released back to parents on Sunday afternoon, after a brief parent education seminar led by Ms. Joyce.

All CCS swimmers 11-14 who have ANY AA times are encouraged to apply for selection to the 2017 All Star Camp. **All applications are due by WEDNESDAY, March 1.** Swimmers who do not have any AA times are welcome to apply; however, priority will be given to athletes who meet the AA time standard in multiple events.

### How does a swimmer qualify for the 11-14 All Star Camp?

1. There will be 32 athletes selected for this Camp. There will be 8 athletes selected in each age group (11-12 and 13-14) and gender. Age Group will be determined upon age of the athlete as of the first day of the camp, April 29, 2017.
2. Male and female swimmers in each age group will be selected by the Camp Coordinator and the Camp Head Coach based on the USA Swimming Motivational “AA” Time Standard. Qualifying times shall be the swimmer's best time from April 1, 2016 through the application deadline, and be listed as officially verified times in the USA Swimming database.
3. Swimmers with the most AA times will be selected first. If there are not enough applicants with AA times to complete the team (the total number of AA times will be reflected by the best standard achieved in each stroke and correlating distance in ANY course, not in EVERY course. Hence, if an athlete has a AA time in the 50m breaststroke and 50y breaststroke, this qualifies as one (1) AA time achieved), then:
4. Swimmers with the highest Hy-Tek Power Point swim in the USA Swimming database will be selected (11 year olds will be placed on the 12 year old scale and 13 year olds will be placed on the 14 year old scale so that both age groups will be placed on even ground in consideration).

### Do the athletes have to stay with the All-Star Team?

Yes. This is mandatory!!! All Team CCS athletes, chaperones, and coaches will be required to stay with the team throughout the trip. Swimmers with a disability who require special care will be required to travel with a parent or other designated adult. Swimmers will not be allowed to leave the team until Sunday April 30, and only to their parents, legal guardian, or designated adult who must sign the swimmer out. Please thoroughly read the Athlete Code of Conduct found in this packet. We encourage all parents to attend the parent talk led by Kara Lynn Joyce before athlete pick-up on Sunday, April 30 (time and location to be included in the itinerary sent to athletes upon team selection).

**Packing Guidelines** - Each swimmer should pack two bags: a swim bag and a duffle or other bag. Items needed for competition should be packed in the swim bag. All other travel items should be packed in the other bag. Be sure to pack a **water bottle**, practice suit(s), goggles, 2+ towels, shorts/pants, shirts, sweat shirt, pajamas, toiletries, healthy snacks, deck shoes, athletic shoes, socks, hat, sunscreen, lotion, chapstick, and [OTC] allergy medications, if needed. All items should be labeled with the swimmer's name. Individual prescription medications can be held by the swimmer's chaperone. CCS is not responsible for lost or stolen items. All swimmers should plan to bring or buy snacks or other drinks that they may desire.

Each swimmer will receive 2 All Star T-shirts, 1 All Star Cap, and other goodies. The swimmers will have 1 night lodging (four to a room-dbl queens). The money collected covers the cost of the hotel, National Team athlete's travel and participation, apparel, and meals (including dinner on Saturday and breakfast and lunch on Sunday, as well as nourishing snacks between sessions).
